The American brand Maxum entered the market in 1987 and belonged to the giant in the field of shipbuilding - Brunswick Boat Group. From the first days of its foundation, the company was engaged in the production of boats for outdoor activities. At that time, there was a lot of competition in the segment of sports towing and fast boats, but the company was able to gain the trust of the audience ...

In fact, every manual I've had, including my old Mustang 5.0 H.O. could start feeling lame, because I would get tired of working it so hard to keep up with the soccer mom's Caravan in the next lane, with her foot planted to the floor, and the automatic doing all the work. Even though manuals are faster ultimately, day to day it's easy to take for granted how much faster it is to drive an ...
