*Inquiry-based learning (also enquiry-based learning in British English) is a form of active learning that starts by posing questions, problems or scenarios. It contrasts with traditional education, which generally relies on the teacher presenting facts and their own knowledge about the subject. Inquiry-based learning is often assisted by a facilitator rather than a lecturer.*

idea of using a short film,  
especially for identifying  
theme. I an definitely going to  
try this - thanks for the great  
idea! Reply Delete. Replies.
