In Csikszentmihalyi's (1990) first edition of Flow: The psychology of optimal experience, he identified 9 ways through which we can achieve flow. Our bodies: Sex, dancing, and singing are a few examples. Later, Csikszentmihalyi (2008) classifies these as pleasurable, but not necessarily leading to flow. Our minds: Pushing ourselves to accomplish a difficult task like solving a math problem ...

Social psychology is the scientific study of how the thoughts, feelings, and behaviors of individuals are influenced by the actual, imagined, and implied presence of others. In this definition, scientific refers to empirical investigation using the scientific method, while the terms thoughts, feelings, and behaviors refer to the psychological variables that can be measured in humans.

One of the most important and blazingly original writers of his generation, George Saunders is an undisputed master of the short story, and Tenth of December is his most honest, accessible, and moving collection yet. In the taut opening, "Victory Lap," a boy witnesses the attempted abduction of the girl next door and is faced with a harrowing choice: Does he ignore what he
